## Celebrating Our August 2025 Finishers

### William Cat (pictured left)

Congratulations to William on completing the CHC33021 Certificate III in Individual Support! During his studies, William strengthened his skills in supporting others and showed great commitment to learning. Now more confident in providing quality care, he is excited to take the next step by enrolling in the CHC43015 Certificate IV in Ageing Support—a strong example of lifelong learning and career growth.

### Vijayalakshmi (pictured right)

We also celebrate Vijayalakshmi's outstanding achievement in completing her Diploma of Early Childhood Education and Care. Beginning with the Certificate III, she quickly stood out for her passion and dedication to working with children. With support from our trainers and practical, hands-on learning, she built the skills to thrive. Her Diploma marks a major milestone, and we look forward to seeing her continue to excel in the early childhood sector.

## Welcome on Board

### Industry News

Hospitality jobs are on the rise across Australia, with cafés, restaurants, and hotels seeking skilled staff. This is great news for our Business and Hospitality students, as demand for customer service and management skills grows.

### Wellness Tip

Stay energised by drinking water, taking short movement breaks, and getting fresh air—small habits that improve focus, reduce stress, and keep energy steady.

### Stay Connected

Follow us on Facebook, Instagram, and TikTok for the latest updates and news. Don't forget to share your experiences and ideas with us!

### Slice & Connect

Our team recently enjoyed a well-earned pizza party, taking a break from the busy week to recharge and connect. It was a great opportunity to relax, share conversations, and strengthen the sense of community that makes our workplace so supportive.

Moments like these remind us that celebrating together is just as important as working hard, and we look forward to more team gatherings ahead.

## RF Scanning: Powering Modern Logistics

RF Scanning is a vital skill in today’s logistics and supply chain industry, ensuring accuracy, speed, and efficiency in inventory management.

At Signature Training College, our hands-on RF Scanning program helps students build confidence in using scanning technology, navigating warehouse systems, and supporting smooth day-to-day operations.

This training not only prepares students for immediate employment but also sets them up for growth in Australia’s expanding warehousing and logistics sector.
