## EST Programs: Building Essential Skills for Success

At Signature Training College, our Employability Skills Training (EST) programs equip students with core skills to thrive in any professional environment, focusing on communication and teamwork, time management and organisation, problem-solving and critical thinking, workplace health and safety awareness, and digital literacy and technology skills.

Alongside this, our Beauty Therapy course provides students with the practical knowledge and hands-on training needed to excel in the beauty industry. From skincare to salon practices, students gain confidence and industry-ready skills under the guidance of experienced trainers. As pictured, our Beauty Therapy trainer, Oula, is with her students during a hands-on session, bringing learning to life in a supportive and engaging environment.

Whether starting a new career or upskilling, our programs give students the skills and confidence for real-world success.

## Team Spotlight

This month, we celebrate three outstanding team members:

- Anna Cullen – recognised for her engaging training and unwavering support for students.
- Mahati Ch – valued for her dedication to smooth operations and helping both staff and students succeed.
- Alyssa Cabusora – appreciated for her positivity, teamwork, and welcoming presence on campus.
