

SIGNATURE TRAINING

NEWSLETTER

R U OK? Day

A meaningful day of connection and awareness, reminding us to check in, start conversations, and support each other's mental health journey.

Barista Skills Workshop

Sharpen your coffee craft with hands-on training in espresso brewing, latte art, milk frothing, and customer service excellence.

Spotlight on Success: Rezhan Tafteek

We are delighted to recognise Rezhan Tafteek as the recipient of the Academic Excellence Award. This award honours students who display remarkable dedication, outstanding achievement, and a true passion for learning, qualities Rezhan has demonstrated at every step. His success not only highlights his hard work but also reflects the core values we stand by: excellence, commitment, and continuous growth. We look forward to following his journey and the positive impact he will bring to his chosen field.

Message from the CEO

Our goal is to inspire and equip students with the skills, confidence, and opportunities to succeed in their careers. Your growth and achievements are at the heart of everything we do.

Industry News

Australia is facing an unprecedented demand for childcare services, and it's only set to grow. The need for qualified early childhood education and care (ECEC) professionals has never been higher.

Wellness Tip

Aim for 7–9 hours of sleep each night. A consistent schedule and relaxing bedtime routine keep your mind sharp, focused, and ready to learn.

Insights You Can Use

In September, our blog was filled with practical insights and helpful resources to guide students and professionals alike.

We explored strategies for acing your very first job interview, tips on creating a standout resume and cover letter, and the essential soft skills Australian employers value most.

We also highlighted the increasing demand for childcare professionals in Australia and what this means for future career opportunities. Each post is designed to provide knowledge, confidence, and inspiration as you take the next steps in your journey.

This Month in Pictures

The class tackles manual handling practicals with focus and energy alongside their trainer, Piash, learning safe techniques to protect themselves and others.

Students engage enthusiastically as they complete their First Aid and CPR certifications, gaining vital skills for real-world emergencies.

Nancy guides her ageing support class with dedication, bringing practical skills and compassion to each face-to-face session.

Staff come together with energy and positivity to participate in R U OK? Day, promoting awareness and meaningful conversations.

MEET YOUR TRAINER – FAISAL ZAFAR

Solid Background and Strong Responsibility

Faisal has established a solid career in hospitality and training since 2006, supported by qualifications ranging from Certificate III to Advanced Diploma, along with a Bachelor of Business and a Certificate IV in Training and Assessment. As Assistant Manager at Mercure Sydney Blacktown, he leverages his industry knowledge and current certifications in First Aid, RSA, and Food Safety to provide practical, compliance-based training that prepares students with hands-on skills for today's hospitality industry.

EST Courses Faisal Teaches

- RF Scanning
- Barista Course
- Customer Service Management
- Food Safety Supervision
- Responsible Service of Alcohol

White Card & Traffic Control: Your First Step to a Safe Career

Safety is essential on every construction and roadwork site, and our White Card and Traffic Control courses give you the knowledge and practical skills to work confidently and responsibly. Students learn workplace health and safety practices, hazard identification, risk management, and hands-on traffic control techniques to manage vehicles and pedestrians safely.

Through interactive exercises and real-world scenarios, participants gain the confidence to meet Australian safety regulations. These courses are ideal for anyone starting a career in construction, roadworks, or site management.

Exciting News: Our New Café Menu is Here!
